Subtle refinements to Fender's legendary Jazz Bass guitar make the Custom Active Jazz Bass a true player's delight. This bass features a slightly slimmer waist contour, plus deeper cutaways for greater access to the upper registers of its 21-fret rosewood fingerboard. It is adorned with real white shell block inlays on an unbound neck. An elegant take on a classic Fender design.

Features include a Lacquer Finish Ash body (sorted for light weight), a 60's Jazz Bass "U" shape neck, 2 Custom Noiseless™ Jazz Bass Pickups, Fender®/Schaller® Deluxe Lightweight Tuning Machines, a 3-Band Active EQ, and Strings-Through-Body or Top-Load with Fender's new High-Mass Bridge.

This guitar looks as good as it sounds. It is **Brand New** and comes with a full **Fender® Lifetime Warranty!**
Included is a Fender® Hard Case!

Take advantage of the **Buy It Now** price and enjoy an amazing value!
Thank You!
